Tropical Punch Nursery Collection

This collection is as bubbly and “delicious” as fruit punch on a summer day. Our Tropical Punch collection features vibrant pink, orange and yellow color blocks of textured fabrics such as sherpa and faux suede that are cheered up with pink & ivory polka dots and fun multi-color stripes. Adorable dimensional animal appliques come to life on a lightweight quilt and accessories creating a playful environment for your little girl.

- A couple of shelves with an arrangement of pictures, decorative accessories and baby's keepsakes will create an attractive focal point of the nursery.
- Use a combination of different types of window treatments such as matchstick bamboo blinds and fabric valances to dress up the windows.
- A coordinating wall border placed above the chair rail molding or on the top part of the walls adds a finishing touch to the room décor.
